ded-i-cation
noun
1. the quality of being committed to a task or purpose

2. the action of honoring one's work or purpose

When contemplating the honor of the yearbook dedication, our committee certainly had many people to choose from: the senior class, the paraprofessionals, support staff, custodians, outgoing retirees, and any number of our esteemed teachers or administrators. But this year, the word ***dedication****, and its focus on commitment to purpose, and our theme* ***We Bleed Blue & Gold****, seemed to fit no one better than our school nurses. The work they do everyday is beyond compare. As a school community, we could not be more fortunate.*

Mrs. Filiere
&
Mrs. Johnson,
THANK YOU.

We humbly dedicate our work to honor yours.

The SHS health office sees an average of 85 visitors each day. Our nurses help with anything from "just not feeling well" to life saving measures such as administration of EpiPens. Daily, they provide care related to chronic disease management, all sorts of injuries, sports and PE clearances, and they provide LOTS of emotional support for students and staff. The Shrewsbury High School community is tremendously grateful for Mrs. Pamela Johnson & Mrs. Brenda Filiere.

Dedication

Mrs. Filiere

Mrs. Brenda Filiere is a graduate of Fitchburg State University.

She started her career working in hospitals in the following areas: Adult Medical-Surgical Care, Kidney Transplant, Cardiac Telemetry, and later in Pediatric Urgent Care.

She has been a school nurse since 2005, working at Oak Middle School from 2005 - 2012. Mrs. Filiere joined the health office at SHS in 2012. When she is not here at SHS you may find her running a marathon or cooking for the Souper-Bowl!

Mrs. Johnson

Mrs. Pamela Johnson is a graduate of Southeastern Massachusetts University (known today as UMASS Dartmouth).

She started her nursing career working in hospitals in the following areas: Neurology, Adult Medical ICU, and NICU (neonatal intensive care unit).

She began working at SHS in 2002. She has served in various roles such as SEA Health and Safety officer, as well as serving as a Class Advisor, notably to the CLASS OF 2018!

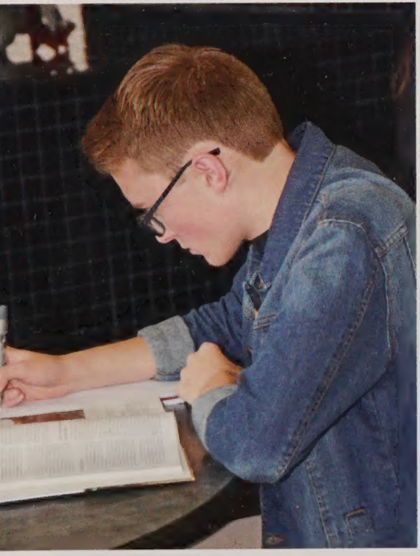
LIFE *at SHS ~ 2018*

"Being an SHS student is like being a runner in a marathon. Sometimes you feel like you aren't going to make it and it's time to give up, but then there's always someone there to give you hope and cheer you on. The family watching you on the sidelines, the friends running beside you, the burning desire to cross the finish line, it all makes the experience an amazing one to remember."

~ Rebha Raviraj, Class of 2018 ~



FACULTY

and

Mr. Todd Bazydlo
Principal

Dear members of the Class of 2018,

Congratulations on your graduation! You have distinguished yourselves as learners, athletes, artists, and innovators. As a school community, we could not be more proud of your accomplishments in the classroom, on the athletic fields, or on the various stages on which you perform. Perhaps your most significant achievement, however, did not take place within the confines of our campus, but in our community. Your commitment to service to others is one of the most inspiring accomplishments of your collective high school careers. It speaks to the character of your class; you embody the principle of service before self.

As a result of your volunteerism, you have learned empathy and have truly developed a greater understanding of the challenges that people in our society face. As you leave Shrewsbury High School and embark upon the next phase of your lives, I encourage you to continue to volunteer and serve those in need. Do not lose sight of the impact you can have on others; you must work to improve the quality of life for all of our citizens. I leave you with the words of Muhammed Ali:

> *"Service to others is the rent you pay for your room here on earth."*

Continue the Colonial tradition of service; pay your rent—live a life that makes you proud.

Wishing you the best,

Mr. Bazydlo

Staff

There are over 150 staff and faculty members at SHS. Their roles range from teachers, classroom aides, nurses, and department directors, to the ones who make our school function day in and day out. Regardless of title, they all strive to create a better community in which students can learn and grow. The passion that they have for academic and personal development is clear as they work tirelessly to ensure student success.

What makes the SHS staff especially impactful is the relationships faculty members form with students. Students and staff share stories, common interests, and a true understanding of the Colonial spirit. Thanks to these fine educators, seniors graduate year after year with academic skills and a sense of personal responsibility that will serve them in college, the workforce, and beyond.

JUNIORS

Class 2019

The Junior Class is known for being a very spirited and determined class, which showed in the Class Cup of 2017. This was done by excellent leadership of class officers and student council members, and executed through the persistence and dedication of the whole class. The hard work of 2019 has shown through record-breaking volunteer hours and outstanding performance regarding the honor roll. The Juniors are truly incredible.

SHREWSBURY
11

Almost, Maine

The fall play, Almost, Maine, dealt with the many joys and struggles of relationships. The show, written by John Cariani, took a unique turn here at Shrewsbury High School as our own John Barrett wrote and performed original music to accompany the actors' stories. Under the direction of Ms. Webb, the theater was transformed into an immersive experience where the audience joined the actors, almost, in Maine.

The competition play, also known as the festival play, is a 40 minute production that is designed to compete against other neighboring schools. This year's production was "Punk Rock" originally by Simon Stephens. This is a show that deals with the pressing issue of mental illness and how it can potentially lead to school shootings. Furthermore, this is an important issue that the cast and crew of competition play felt needed to be brought to light.

FULL SERVICE

2018 marks the 50th Anniversary of the Shrewsbury High School Spring Musical. To celebrate, our students and staff worked tirelessly to put on an impressive show.

ALL SHOOK UP

FULL SERVICE
HALLER'S
GARAGE

In March, Shrewsbury High School Performing Arts Department was proud to present the 50th musical "All Shook Up". "All Shook Up" is a new musical comedy built around the story of Twelfth Night and a number of songs made famous by Elvis Presley. The musical was NOT a biographical review, rather the show was to take place in 1955, somewhere in a town you don't know in middle America. One girl's dream and a surprise visit from a mysterious, leather-jacketed stranger helps a small town to discover the magic of romance and the power of Rock & Roll.

THE COLONIAL WAY

THE
COLONIAL WAY
EXPERIENCE

In order to boost spirits and morale right before the big Shrewsbury vs. St. John's football game, Student Council held the very first Colonial Way celebration at SHS.

The occasion involved booths for some of the school's clubs, tables for games, and live entertainment from students. Several food vendors from Shrewsbury came in to show their support and share their food. Attendees were able to enjoy mouthwatering pizza, fried dough, ice cream, churros and chocolate covered fruit sticks.

With over 2,000 Shrewsbury students, community members, and fans, it was an undeniable success and hopefully it will be a tradition for many years to come.

There is never a real "downtime" at Shrewsbury High School, and though this winter kicked off with snow days galore, students were still busy studying for midyear exams, playing winter sports, performing in winter concerts, preparing for spring events like the musical and competition plays and, of course, volunteering.

A couple of the highlights of this winter were the Black History Month Assembly and the Science Fair. Both of these events provided students with an opportunity to showcase their hard work and let their talents shine.

No matter the season, it's always a good time to be a Colonial. There is always some way to get involved and leave your mark. This winter was no exception. Once again, Shrewsbury High School students proved:

We Bleed Blue and Gold!

The focus of this year's Black History Month Assembly was a call to action: Step Up, Stand Up, Speak Up. Students were challenged to consider what really mattered to them, and what is worth fighting for. The assembly featured a video presentation, musical selections, dance performances, and an original poem written by a Shrewsbury High School freshman. Congratulations to all who participated!

SCIENCE FAIR

This year thirty-six Shrewsbury High School students presented projects at the science fair. Projects touched on topics ranging from acoustics, de-icers and shampoo, to robot navigation for the exploration of planetary and lunar surfaces. Nineteen members of the community volunteered to serve as judges. The top twelve projects were moved forward to the regional science fair at Worcester Polytechnic Institute.

SHREWSBURY • HIG

SHS students pride themselves on their willingness to constantly assist the less fortunate members of their community. This year many busy students went above and beyond, to achieve their goal of completing over 100,000 service learning hours. This is a huge accomplishment and hopefully next year's group of incoming students will continue this legacy!

Spring Events

Spring Spirit Week kicks off all the events and activities that lead up to graduation and the end of the school year. Students participate in themed spirit days, and the week culminates with the spring spirit rally. The highlight of the rally is always the lip dup video competition and the presentation of the Class Cup. Heading into spirit week this year the Juniors and Seniors are neck and neck; will the Class of 2018 prevail or will the Juniors hand them an upset?

Other spring events include the Sophomore Semi, Senior 50 Day Breakfast, and Coffee House sponsored by NHS, featured here. Our spring supplement will highlight our spring athletes, Junior/Senior Prom, Commemoration, Senior Faculty Dinner, Graduation and more. Be on the lookout for the supplement in your mailbox this fall.
